## A FEMINIST POLITICS PROJECT

**FEMINIST INITIATIVE** was created last October 23, 2008 as a political party. Our goal is to achieve representation in all organs of political management where the interests of citizens in general, and therefore women's, are decided upon, organized, and legislated on.

**FEMINIST INITIATIVE** emerged in Sweden in 2005 as a feminist project of political action, meaning not to restrict itself to a local scenario, but to spread to various countries in Europe and the world.

**FEMINIST INITIATIVE**, while it refers to the Swedish project and has been encouraged by it, has been formed in Spain in order to participate in the next European Parliament elections.

June 7, 2009

**WE ARE RUNNING IN ELECTIONS TO EUROPEAN PARLIAMENT**, because feminism is a global democratic movement, capable of overcoming the patriarchal structures that keep half of humanity, women, in archaic and unfair unequal cultural, educational, economic, social and political conditions.

**FEMINIST INITIATIVE** is participating in the elections to make proposals that will lead to a Europe without gender discrimination. This requires:

- Ensuring women's right to live without gender-based violence.
- Gender equality is an urgent goal, a priority in all legislative, political, economic and social actions developed in Europe.
- Eradicating discrimination and precarious employment suffered by women, and
